

# Futuremed Completes Dismed Acquisition and Public Offering of Units

/NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES/

TORONTO, June 30 /CNW/ - Futuremed Healthcare Income Fund ("Futuremed") (TSX:FMD.UN) announced today that it has completed its previously announced acquisition of Dismed Inc., a leading supplier of medical supplies, instruments and equipment throughout the province of Quebec. In addition, Futuremed completed an offering of 1,875,000 units, issued at a price of \$9.10 per unit, that were sold on a bought deal basis to a syndicate of underwriters led by CIBC World Markets Inc. and National Bank Financial Inc.

The acquisition provides Futuremed with a leading distribution platform in the Quebec marketplace, which Futuremed can leverage to service the Eastern Canadian market. The acquisition provides Futuremed 2,500 customers and a highly skilled workforce, totalling 60 employees, including a dedicated sales and marketing team with strong relationships in Quebec. In addition, the acquisition provides Futuremed an operating facility in excess of 80,000 square feet.

## Futuremed Health Care Income Fund

Futuremed Healthcare Income Fund, through its operating entities, is Canada's leading value-added distributor of consumable nursing home supplies and specialized furniture and equipment to the growing long-term care facilities sector. Futuremed's units trade on the Toronto Stock Exchange under the symbol FMD.UN. More information can be found at [www.futuremed.ca](http://www.futuremed.ca).

## Dismed Inc.

Founded in 1979 and based in Montreal, Dismed Inc. is a supplier of medical supplies, instruments and equipment throughout the province of Quebec.
